NOTES ABOUT LESSONS

For general inquiries about the Town of Little Elm's Aquatics program, please email aadams@littleelm.org. We try our best to ensure that every child learns to swim, and also gains knowledge about water safety. Each child learns at his/her own pace and it cannot be guaranteed that all students will pass the level class they are currently enrolled in. They will be taught valuable safety skills and introduced to both simple and complex swimming skills.
